INTRODUCTION-

(Henry) **Stephano** - *Welcome to the Tempest of Love podcast with a group of "royal family" who have been stranded on a deserted island for years. We have finally decided it's time to turn their chaotic life into a podcast to show you guys how twisted their family is.*

(Perrie) **Trinculo**- Guys ignore him, he had too much liquor but yes welcome to our new podcast. Let's meet our members, because we can't afford good recording equipment.

SCENE 1:

The scene starts with Prospero sitting in a chair with a Bahamas background behind him. He's sitting angrily with his arms crossed.

(Henry) **Stephano**: *Who do we have here? Why isn't Prospero, who sits as angry as my nan last Tuesday! Has someone bitten their thumb at him?*

(Daisy)**Prospero**: **To start with, I rule this island. I am the biggest bird around. I bite my thumb at everyone, screw them. I mean Caliban can be my slave. He's so weak and I'm so much better than everyone.**

(Waves hand angrily)

And a few people at home have been asking, "Hey why are you here with your daughter?" and the truth is it's not my fault I care about my daughter. And I don't want people breaking her heart. And also she forgets, *alot*, so I'm just here to remind her how to walk, and to talk, eat, drink and any other stuff really.

(More angry things)

SCENE 2:

(Perrie)Trinculo: Hahahahaha she was a fairy and I guess the talent flew away from her. Maybe Ariel needs some advice about fashion today... or maybe some singing lessons...

(Rue)Ariel: **Hey hey hey. I'm Ariel. And I'm really talented. And I know, I know that you people at home may have never even heard of me, but I promise I'm the next Beyonce.**

(Laughing track, mocking)

I mean I've been to a few record labels and sure - so what if they didn't choose me? But they just can't see talent. And, yeah, I even got a few gigs at concerts but yes that was of course after I set Prospero on them and maybe even broke in... invisibility works great when you know when to use it.

(Breaks out into song with hand on ear like they know what they're doing)

(To the tune of Shake It Off by Taylor Swift)

But I keep slaving

Can't stop, won't stop slaving'

It's like I got this magic in my mind

Sayin', "Not gonna be alright"

'Cause Prosperos gonna hate, hate, hate, hate, hate

And I'm just gonna slay, slay, slay, slay, slay

Baby, I'm just a slave slave slave

I Shaka - speare Shaka - speare - eare - eareeee (whoo-hoo-hoo)

Love birds in the air, air, air, air, air

And Prospero's gonna hate, hate, hate, hate, hate

Baby, I'm just gonna Shake, Shake, Shake, Shake, Shake
(whoo-hoo-hoo)

Shaka - speare Shaka - speare - eare - eareeee (Shakespeare)

(BOOOOOO sound effect)

(rue)Ariel: **Anyone at home want me?** *(cheesy wink)*

(Henry and Perrie: No)

SCENE 3:

(Henry) **Stefano:** *Oh look who do we have here - a new hot babe?
Oh never mind, it's literally just Ferdinand..*

(Santiago) **Ferdinand:** **S'up guys at home. Hey mommy and daddy... or should I say royal highnesses. Yeah, I'm a prince but because I'm nonchalant I don't talk about it much. And I need a queen bee, Miranda hit me up. (dumb laugh) Such a baddie. (dumb laugh) Anyway all jokes aside, I know I'm that guy deep down, but I want you guys to know that deep down I'm not just a prince, I'm sensitive and kind and I know Miranda is too... therefore she's the one for me. Only joking I'm not like that! I just want her because well, she's just fit (dumb laugh)**

SCENE 4:

(henry) **stephano:** **Ah, if it isn't our favourite air head - Miranda. She's beautiful, yes, but that's just it. Come on.Beauty. No brains. One time I**

caught her staring at a juice carton because it said concentrate... I mean

Miranda: Hiiii guys at home it's me, your girl Miranda, people keep asking why my stuck up father is on this show? And the truth is he is so lonely he feels the need to follow me around like a dog on a leash. I miss seeing you all on my social media, I haven't been able to do a vlog in ages

[phone rings] (bing bing bing bing)

Oh my god Georgina, it's so hot here! You would love it! News flash: Caliban is obsessed with me. It's so creepy! Ferdinand, what an ugly creature, keeps talking about how much he wants me... what a snob.

(perrie) trinculo: Well lets leave these two insufferable idiots alone. Who knows - will Miranda find her brain and actually like Caliban or Ferdinand?

SCENE 5:

(Niveda) **Caliban:** Gosh this godly, ethereal queen has stolen my attention since we got here! If only that weak arrogant Ferdinand would not exist, I may stand a higher chance. But, of course, that is if her weirdly obsessed father left her side! Gosh, I hate him so much! The amount of torture he put me...

Trinculo interrupts

(Perrie)Trinculo: Ew, well it does smell fishy in here and its not my legs, its probably Caliban.

[wicked laugh]

Well how unlucky are we to have this ugly son of a witch! Is he going to be the one to get Miranda?

(Niveda) **Caliban:** I promise you all I will earn Prospero's trust to marry his daughter. Soon Miranda is gonna be mine and no one can stop me MUHAHAHAHAHA (weird evil laugh) (cough)

(Henry)Stephano: *That's all for today's podcast on the Tempest of love*

(perrie)Trinculo: Don't forget to join us next week, bye
